# From **Tram-Station (or Taxi Drop-Off)** to **Management Zentrum** (Registration, Keynote & Conference-Rooms)

After you exit the Tram-Station cross both streets (traffic lights)

Walk down to the gates, take the footpath next to the parked cars towards the big building in the background (= Management Zentrum!)

Continue on until the path turns right. Follow that path up towards the building...

...until you can turn left for the first time! You are now in front of the Management Zentrum. Registration is on the ground floor, right behind the main entrance! **(see next Page!)**

# Management Zentrum

*(Registration, Keynote & Conference-Rooms)*

**From Management Zentrum to Somnium (TNF-Turm)**  
*(PhD Workshop)*

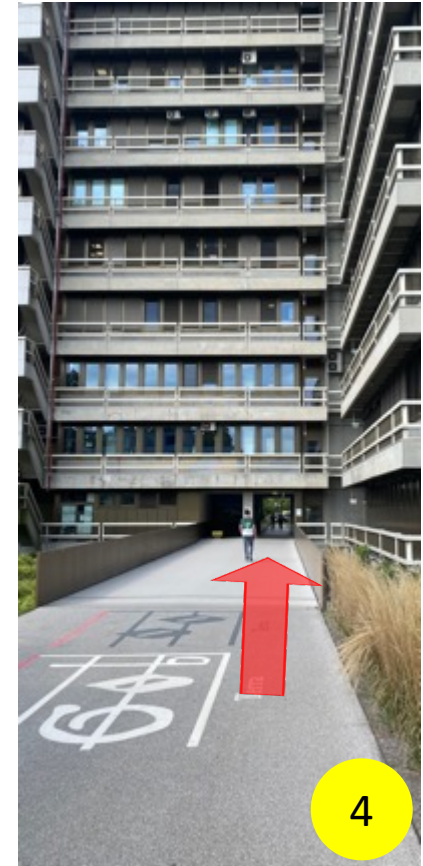

Take the road to the right from the entrance of the Management Zentrum...

Continue on this road until you reach a crossroad at the end...

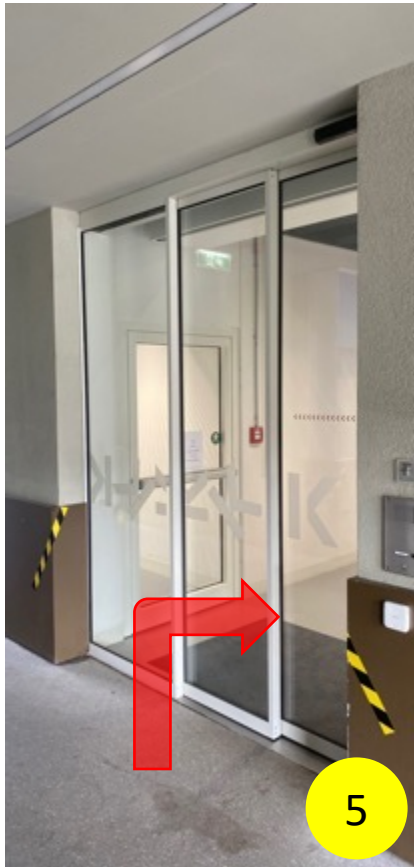

Turn left at that crossroad (when you see this building)

Continue straight ahead until you are directly underneath this big building (=TNF-Turm). Do **NOT** go through... (see next page)

## TNF-Turm & Somnium (PhD-Workshop)

Once you are underneath the big tower, go through the sliding doors to your right until you reach the elevators.

Take one of the elevators on the right. It will bring you straight to the **13th Floor**

When you exit the elevator at the 13th floor, turn left, go through the door and then straight ahead! You are now at Somnium!
